Paragon Europe

- Founded in 2004, Paragon Europe aims to mobilise Maltese organisations to engage, participate and lead in EU affairs.
- We strongly believe that working in EU affairs contributes to sustainable socio-economic growth, wealth and employment.
- To further increase our success in Europe, Paragon has launched four complementary organisations as well as opening an office in Brussels to become a leading voice in Europe.
- Since its commencement Paragon Europe has advocated the importance of integrating innovation techniques as the basis for solid business strategies as well as the underlying rationale of EU co-funded projects.
- Currently Paragon's clientele encompasses established firms, public entities and constituted bodies.

- Over the years, Paragon Europe has been responsible for the submission of applications for various EU co-funded projects including Lifelong Learning, Youth in Action, Life+, Interreg III, Euro-Med and IEE amongst other.
- Apart from compiling and submitting applications for itself and on behalf of its clients, Paragon Europe has gained a reputation for its comprehensive project management services.
- Paragon Europe has a multi-disciplinary team of experts and academics that are capable of providing a substantial input in project activities.
- Paragon Europe Limited is capable of providing the following services:
 - Mobility of students, teachers for work placements and/or visits
 - Innovation management techniques
 - Training and training needs analysis
 - Developing organizational innovation strategies
 - Knowledge transfer and sharing of best practices within RTDI sectors

Work Placement in Malta

- Allow your students to build their CV with a practical, hands-on work experience by completing an internship in Malta!
- Internships offer students a unique opportunity to put theory into practice in their chosen career.
- Internship programmes provide students with the opportunity to gain hands-on experience and improving one's skills at the work place.
- Our local authorities have ensured us that we have all the different work placements and professions to offer for to students in all fields of the economy.
- Thus, we find and offer students ***unpaid internships*** to train and practice for periods differing from 2, 3 up to 6 months.
- All your students have to do is to send us a C.V. and motivation letter telling us their main area of study and expertise and we will revert with the appropriate work placement for them.

- Malta is becoming extremely popular as a destination for internships mainly because;
 - ✓ *One of Malta's primary languages is English, therefore after 3 months in Malta students' English will improve four-fold*
 - ✓ *Malta is a very safe country . Rated the safest EU country in 2015*
 - ✓ *Malta is small Island, making mobility easy*
 - ✓ *Malta has a warm climate practically all year round.*
 - ✓ *Average cost of living*
 - ✓ *7,000 years of heritage*
 - ✓ *Vast cultural and entertainment centres*

Work Placement with Paragon

- All companies and placements are carefully selected and monitored so as to provide each student with the most interesting environment possible.
- Students are required to fill in and send a weekly report elaborating on the tasks they undertook, the results achieved and the lessons learnt.
- Paragon Europe will also monitor the work placement by conducting visits and frequent telephone calls with the mentors to ensure that all is in order.
- At the end of the students' internship, each student will receive:
 - ✓ ***A EuroPass***
 - ✓ ***A performance appraisal***
 - ✓ ***An internship certificate***
 - ✓ ***A reference letter from their mentor***
 - ✓ ***Other reports and necessary paperwork***
